## Investment Report

### MEETING NEEDS IN OKLAHOMA

Working hand-in-hand with local partners, the Corporation for National and Community Service (CNCS) is investing more than \$13.2 million this year to support cost-effective community solutions in Oklahoma. This federal funding enables more than 5,600 Americans of all ages and backgrounds to engage in service that meets local needs, strengthens communities, and expands economic opportunity in Oklahoma. AmeriCorps members and Senior Corps volunteers are preparing today's students for tomorrow's jobs, reducing crime and reviving cities, connecting veterans to services, fighting the opioid epidemic, helping seniors live independently, and rebuilding communities after disasters.

National service participants will serve at more than 900 locations across Oklahoma, including schools, food banks, homeless shelters, health clinics, youth centers, veterans' facilities, and other nonprofit and faith-based organizations. Through a unique public-private partnership, CNCS, its grantees, and project sponsors will generate more than \$17.2 million in outside resources from businesses, foundations, public agencies, and other sources in Oklahoma this year. This local support strengthens community impact and increases the return on taxpayer dollars.

### AMERICORPS

This year, more than 1,050 AmeriCorps members will meet pressing local needs across Oklahoma, making a lasting impact in communities while gaining valuable skills and experience to advance their careers. AmeriCorps members serve in one of three programs:

- **AmeriCorps State & National** engages men and women in intensive service at thousands of locations across the country through nonprofits, schools, public agencies, tribes, and community and faith-based groups. Most AmeriCorps grant funding goes to the Oklahoma Community Service Commission, the Governor-appointed State Service Commission, which in turn awards grants to organizations to respond to local needs.
- **AmeriCorps VISTA (Volunteers In Service To America)** taps the skills, talents, and passion of Americans of all ages to support community efforts to overcome poverty.
- **AmeriCorps NCCC (National Civilian Community Corps)** is a full-time, team-based residential program for 18-24 year-olds. Members develop leadership skills by contributing to public safety, environment, and disaster projects. FEMA Corps, a unit of NCCC, focuses solely on disaster preparedness, response, and recovery.

In exchange for their service, AmeriCorps members earn a Segal AmeriCorps Education Award that can be used to pay for trade school, college, or graduate school; or to pay back qualified student loans. Since 1994, more than 13,000 Oklahoma residents have served approximately 16 million hours and earned education awards totaling more than \$34.1 million.

### SENIOR CORPS

Senior Corps taps the skills, talents, and experience of Americans age 55 and over to meet a wide range of community challenges. This year, more than 4,550 Oklahoma seniors will meet critical community needs while contributing to their own health and well-being through one of three Senior Corps programs:

- **Foster Grandparents** serve one-on-one as tutors and mentors to young people with exceptional needs.
- **Senior Companions** help seniors and other adults maintain independence in their own homes.
- **RSVP volunteers** conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services.

Last year, Foster Grandparents tutored and mentored 590 young people, Senior Companions helped 510 seniors live independently, and RSVP volunteers strengthened the impact of 470 organizations across Oklahoma.
